Dave,
I will likely have 6-8 folks from ARC attending the meeting.

I think Jack will be able to get to the office by 9:30am, so I suggest having everyone else get there 9:00 - 9:15 to check in with building security and get badges. How many people do you anticipate attending? I want security to be prepared if more than 10 people. Also we can stay till 4:30 with no problem.

Thanks,

Dave

Hey guys,

I received confirmation from everyone that 1/31 is fine. Save the date! Let your folks know.

So if Jack's plane gets in at basically 9a, we could say start the meeting at 10a? BLM office is very close to the airport. Maybe even a little before 10a? What do you guys think? Assume we will go until 4p? Could end sooner . . . or later?

I'll send a calendar invitation to everyone as soon as we figure out the time.

Dante Rodriguez

Hey Jack,

Thanks for getting back to us with availability. I believe that date works for everyone from the agencies but I am waiting to hear back from one last person. I gave my folks until the end of today to confirm, so I'll let you know for sure by the end of the day. Thanks!

It looks like the 31st will work for ARC. However I would need to fly into town that morning. The earliest flight in is scheduled to land at 8:55.

Of those days that work for the BLM conference room, the only day that works for me is the 31st.

Thanks,

Jeryl

Dante, I can reserve our large conference room for this meeting at the BLM State Office, just need a date and time. The room is available on the following days this month:

13th

17th

20th

30th

31st

Dave Davis, Geologist

Hazmat Program Lead

Nevada State Office

Office: 775-861-6575

Cell: 775-741-4881

Save the date for an in-person meeting in Reno to discuss the Wabuska Drain results.

Location TBD. Any ideas for location options? We could rent a hotel meeting room, or maybe use the BLM office?
